Joint Meeting, Las Vegas, 2008

Terry Henner and Jim Curtis will be sending out a list of committees for which we will need volunteers from the membership to plan the 2008 meeting. Members are encouraged to volunteer for these committees.

There was discussion about the chapter web site and how we can ensure that it is updated on a timely basis. We need to make sure the officer information and calendar is updated regularly. K. Reavie will ensure the calendar is up-to-date.

K. Reavie will be planning a continuing education program for February or March.
